

Click **Reservations** under the **Settings** menu.

The screenshot displays the DISH Reservation management interface. On the left, a dark sidebar menu contains various options: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (with a dropdown arrow), Hours, Reservations (highlighted with an orange box), Tables/Seats, Reservation limits, Offers, Notifications, Account, and Integrations. The main content area features a teal banner with the text "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" and buttons for "WALK-IN" and "ADD RESERVATION". Below this is a date selector for "Tue, 20 Jun - Tue, 20 Jun". A message states "You have no limits configured for the selected date." with an "Add a new limit" button. Filter tabs for "All", "Completed", and "Upcoming" are visible, along with icons for a calendar and a group of people. The central area shows "No reservations available" with an illustration of a person looking through binoculars. A "Print" button is located at the bottom left of the main content area. The footer includes a "Designed by Hospitality Digital GmbH. All rights reserved." notice, a "FAQ | Terms of use | Imprint | Data privacy | Privacy Settings" link set, and a yellow question mark icon.

Click **Activate now** at Reserve with Facebook

The screenshot shows the DISH RESERVATION settings interface. The top navigation bar includes the DISH RESERVATION logo, a notification bell, 'Est123', a language dropdown (UK flag), and a refresh icon. The left sidebar contains a menu with items: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (expanded), Hours, Reservations (highlighted), Tables/Seats, Reservation limits, Offers, Notifications, Account, and Integrations. The main content area is divided into several sections:

- CHANNELS**: A section titled 'Through which channels would you like to receive online reservations?' containing three cards: 'Online Widget' (toggle on), 'Reserve with Facebook' (toggle on, with a highlighted 'Activate now' button), and 'Reserve with Google' (toggle on).
- ADMINISTRATION**: A section titled 'Up to what group size would you like reservations to be automatically confirmed?' with a dropdown menu set to '2 people'.
- ENGAGEMENT**: A section titled 'How many minutes/hours in advance would you like to remind your guests about their upcoming reservation?' with a dropdown menu set to '2.0 hours in advance'. Below it is a question 'Would you like to receive feedback from your guests about their dining experience?' with a dropdown menu set to 'No'.
- COMMUNICATE WITH YOUR GUESTS IN THE ONLINE WIDGET**: A section titled 'Additional information for your guests' with a text area containing the instruction: 'Make sure you communicate important information to your guests before they make a reservation. It will be displayed in the last step of the widget.' Below this is a 'COVID-19 Guest Information' section.
- CAPACITY**: A section titled 'What is the maximum group size for reservations via the reservation widget?' with a dropdown menu set to '4 people'. Below it is another question 'What is the minimum group size for reservations via the reservation widget?' with a dropdown menu set to '1 person'.

At the bottom left, there is a notification: 'Too many guests in house? Pause online reservations' with a pause icon.

Click **Activate now**.

The screenshot shows the DISH Reservation dashboard with a modal window open. The modal window has a close button (X) in the top right corner. It features a header image of a man and a woman looking at a tablet, with a smartphone overlay showing a restaurant's Instagram page and a 'Reserve' button. Below the image, the text reads: **Get more reservations with Facebook & Instagram**. The main text says: **Boost your reservations by adding "Reserve" Button to your Facebook and Instagram Pages. Just follow these simple steps:**

1. Click the button below to initiate the integration process. You will be redirected to your Facebook Page.
2. Grant access to our integration partner, Mozrest.
3. If necessary, add your Instagram account and confirm the settings.
4. Once you have successfully completed the process, return to this page and click the "Check connection" button.

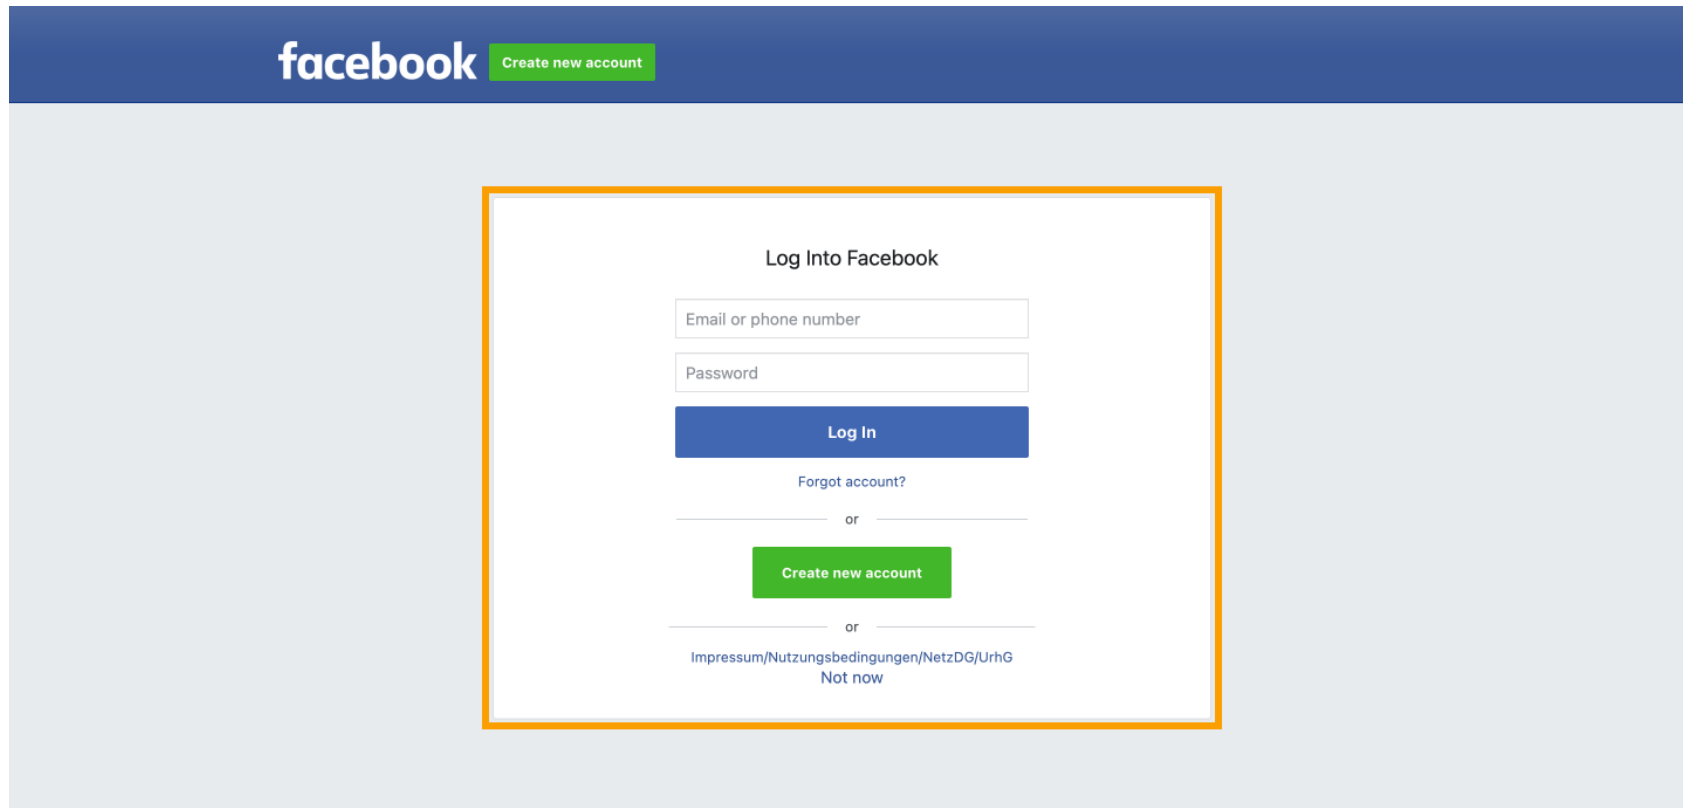

Below the steps, it says **You will need:**

- Facebook Business account
- Admin access

At the bottom of the modal is a large orange button labeled **Activate now**. Below the button is a link: [Full Guide: How to Connect Your Facebook Page](#)

The background dashboard shows a sidebar with navigation options: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, Hours, Reservations (highlighted), Tables/Seats, Reservation limits, Offers, Notifications, Account, and Integrations. The main content area has sections for CHANNELS, CAPACITY, and COVID-19 Guest Information.

 **Log in** or **register** with your business account on Facebook.

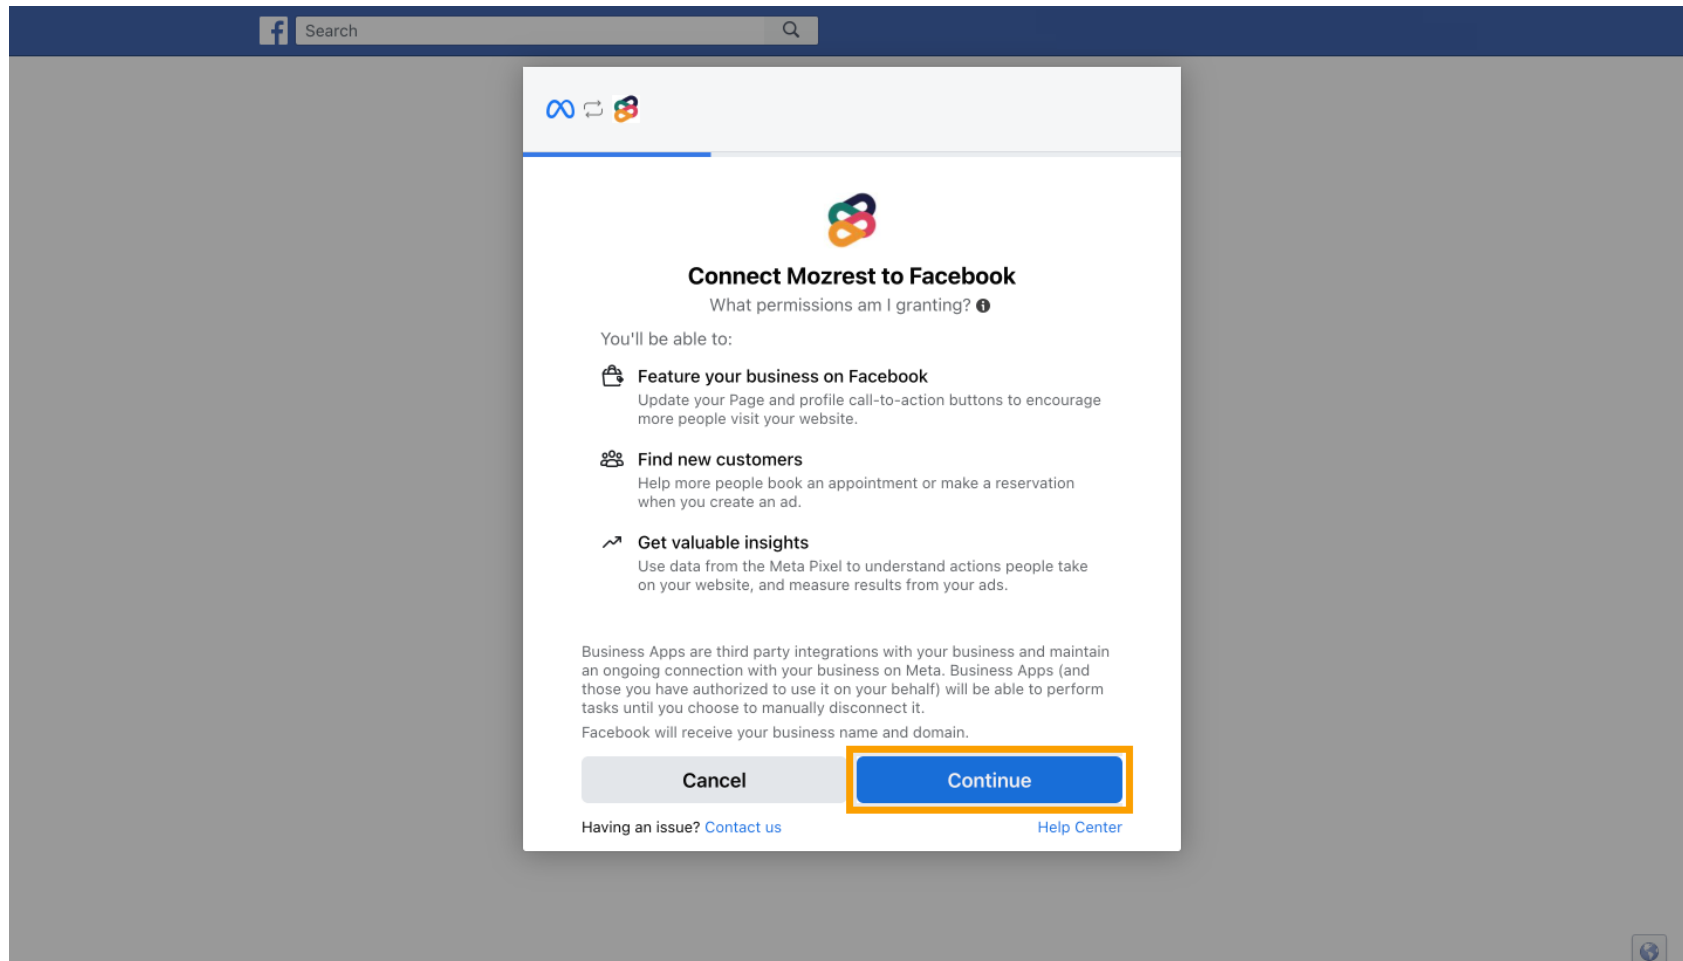

[English \(US\)](#) [Deutsch](#) [Türkçe](#) [Polski](#) [Italiano](#) [Română](#) [Français \(France\)](#) [Русский](#) [العربية](#) [Español](#) [Português \(Brasil\)](#) [+](#)

[Services](#) [Voting Information Center](#) [Privacy Policy](#) [Privacy Center](#) [Groups](#) [About](#) [Create ad](#) [Create Page](#) [Developers](#) [Careers](#) [Cookies](#)

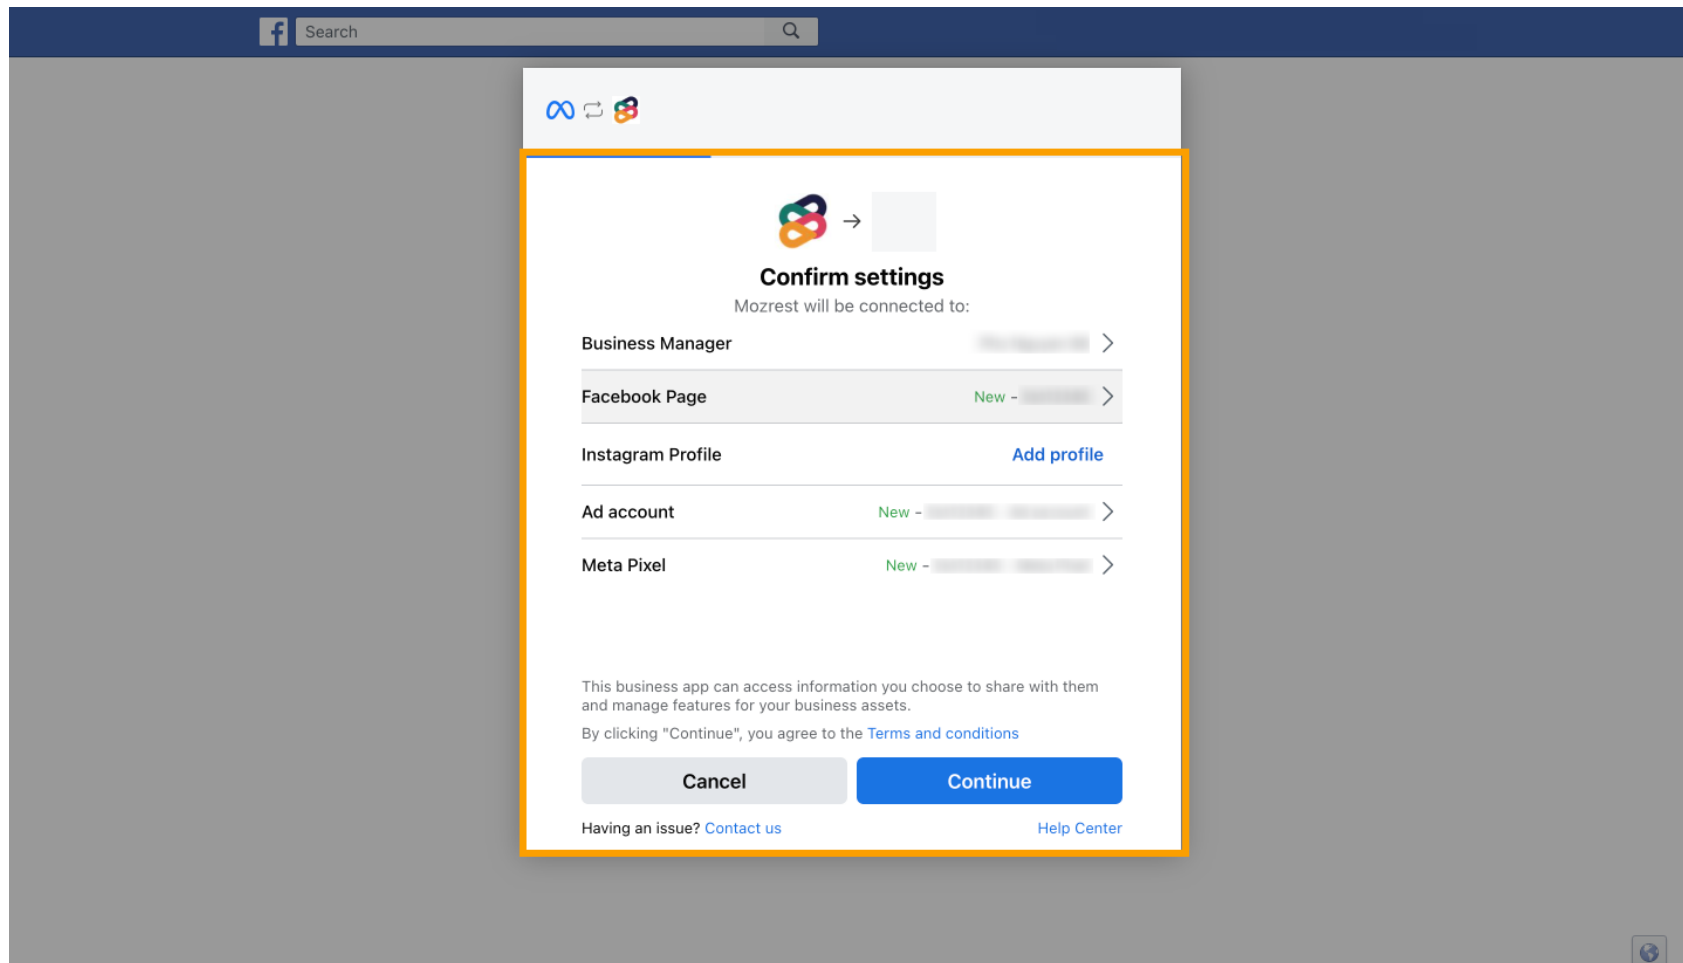

Select your account here by clicking **Continue as [your account]**.

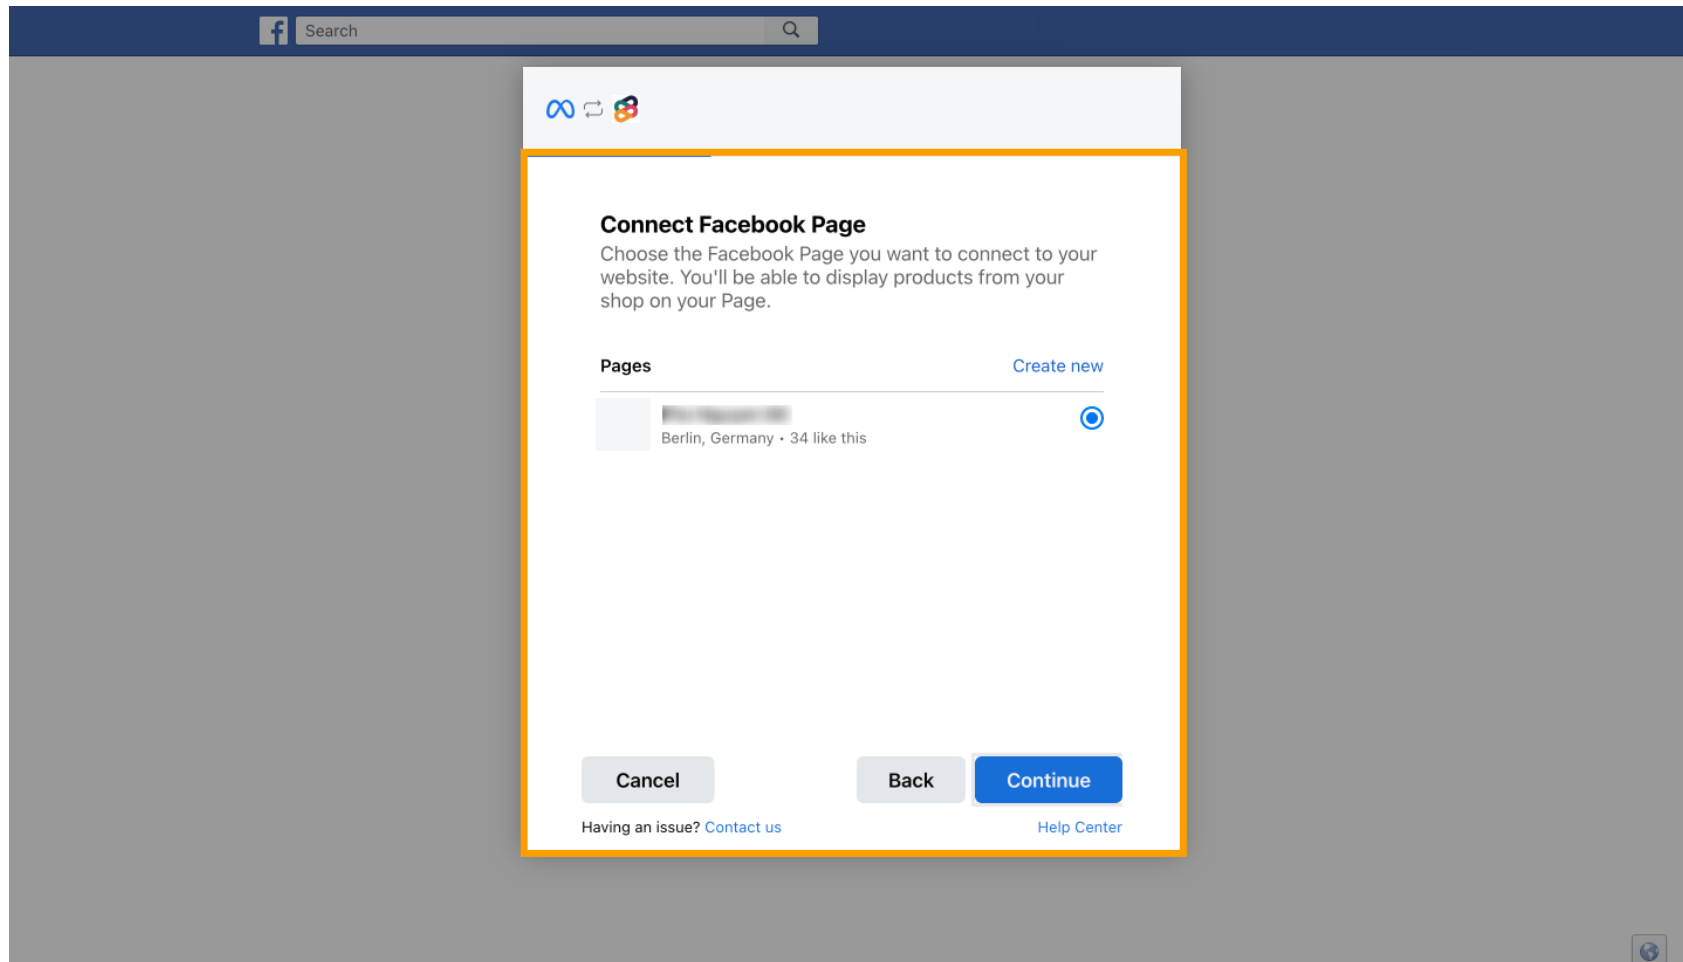

Now click on **Continue** to connect Mozrest to Facebook.

Here you can select the **Facebook Page** and **Instagram Account** on which you want to activate the Reserve Button.

 Select the **Facebook Page** on which you want to activate the Reserve button.

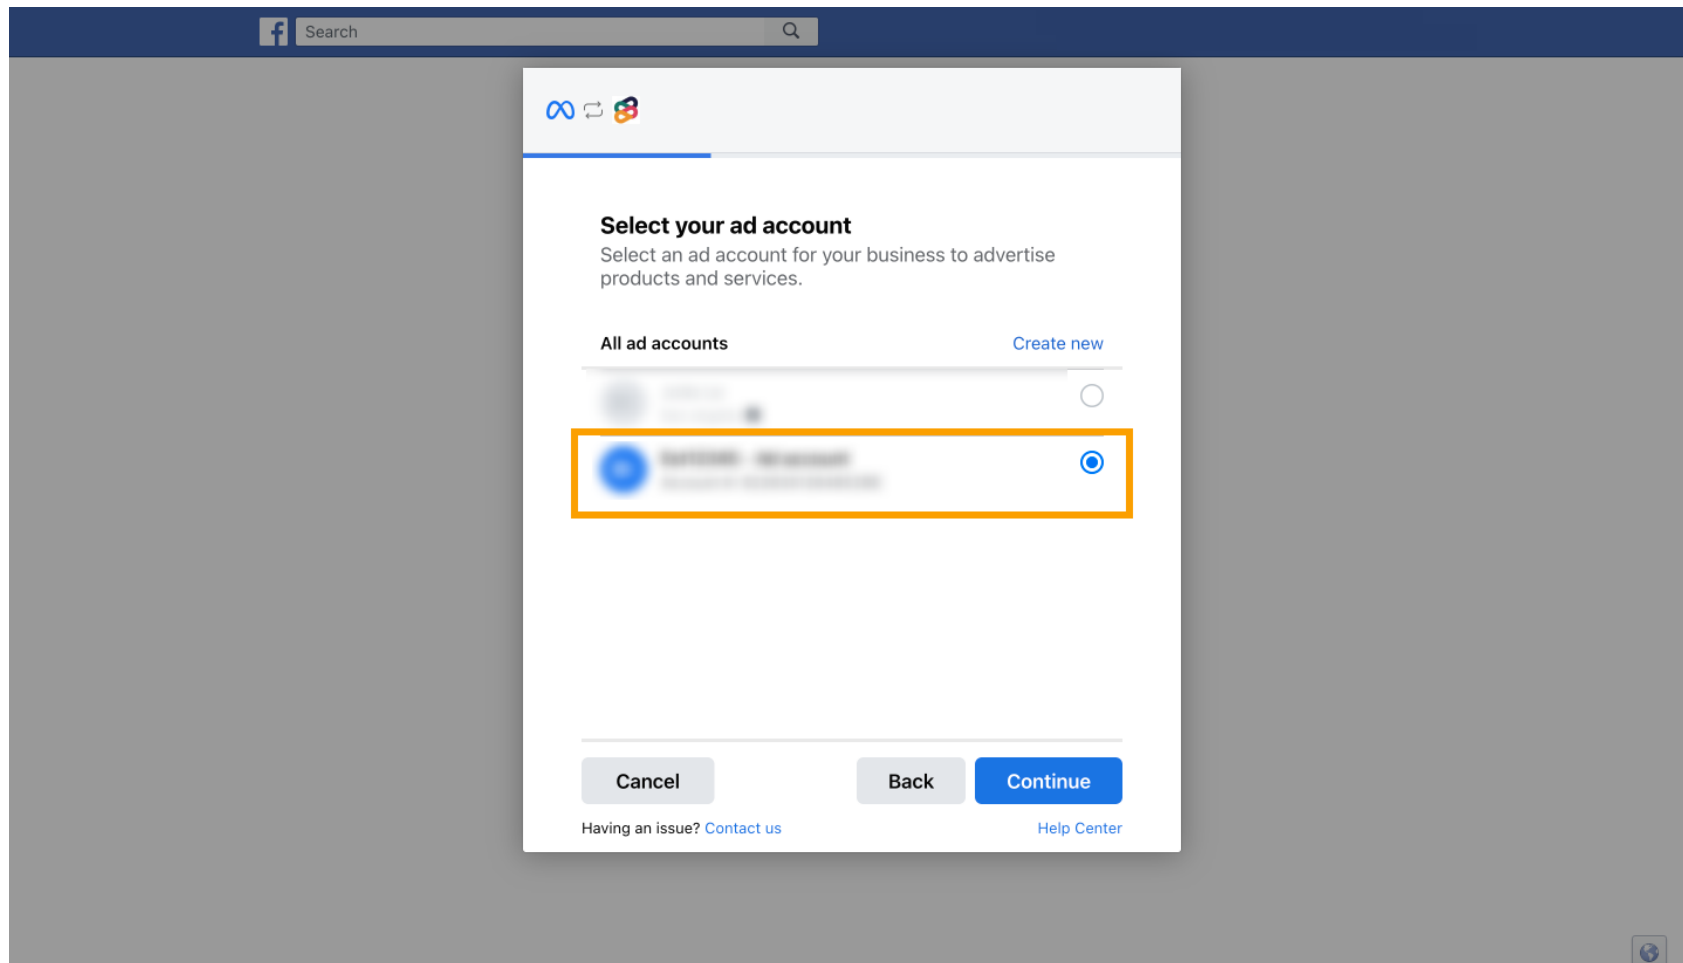

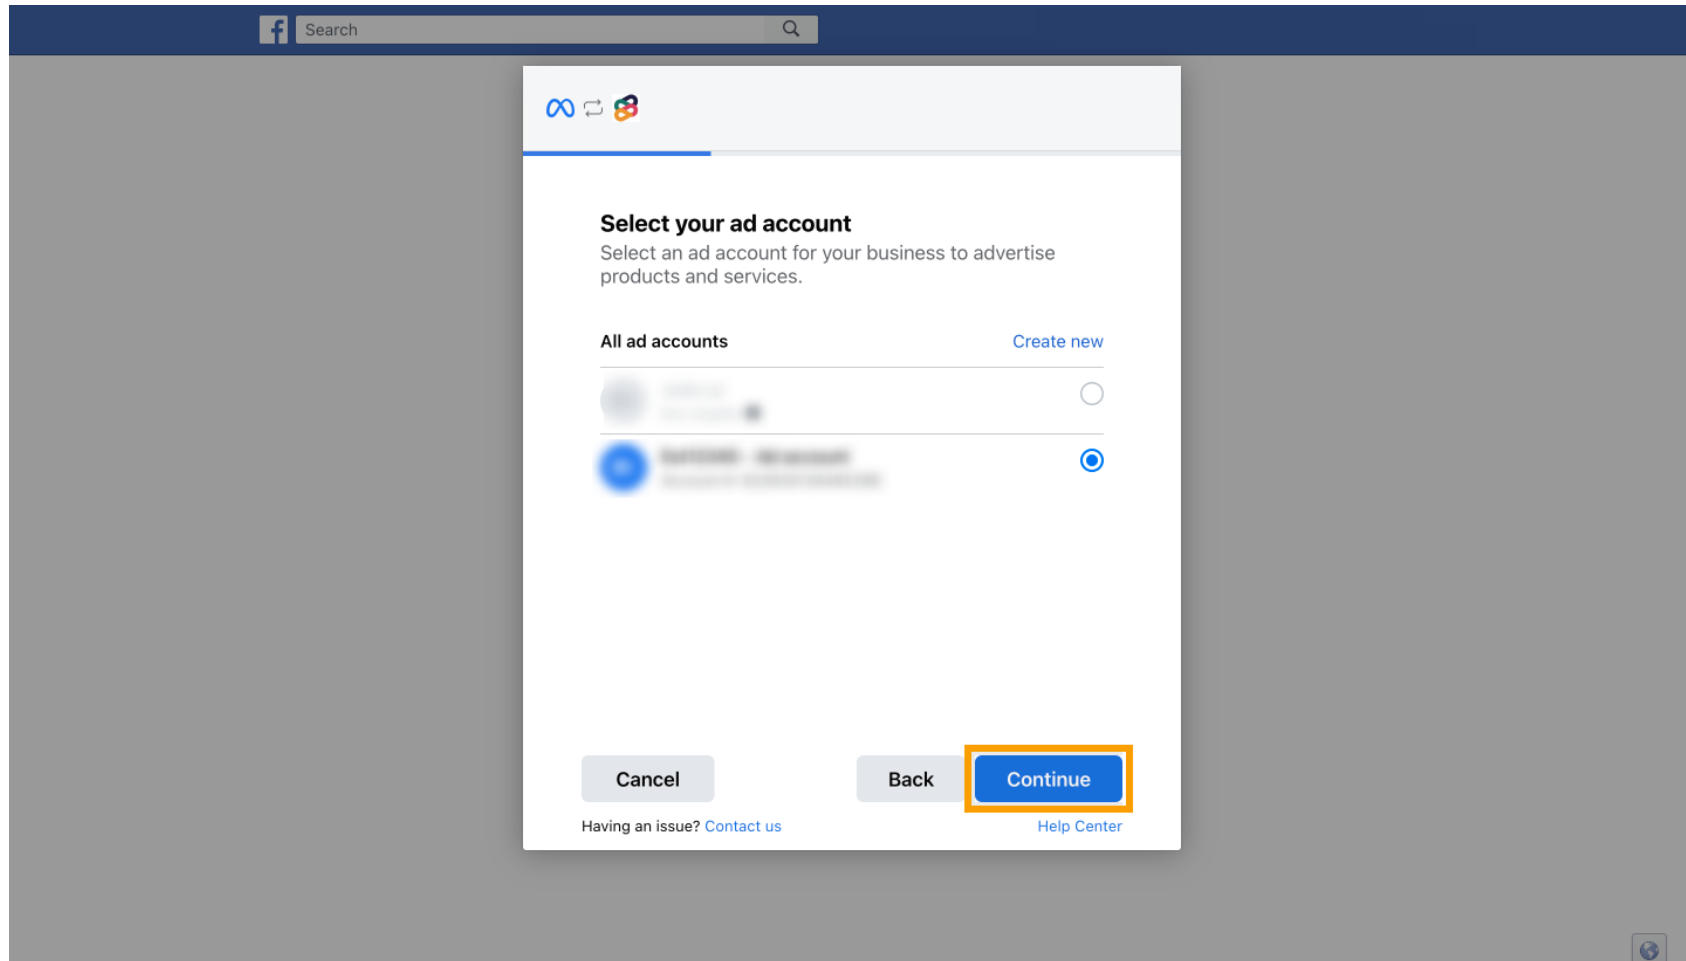

👉 Select the **Instagram Account** on which you want to activate the Reserve button.

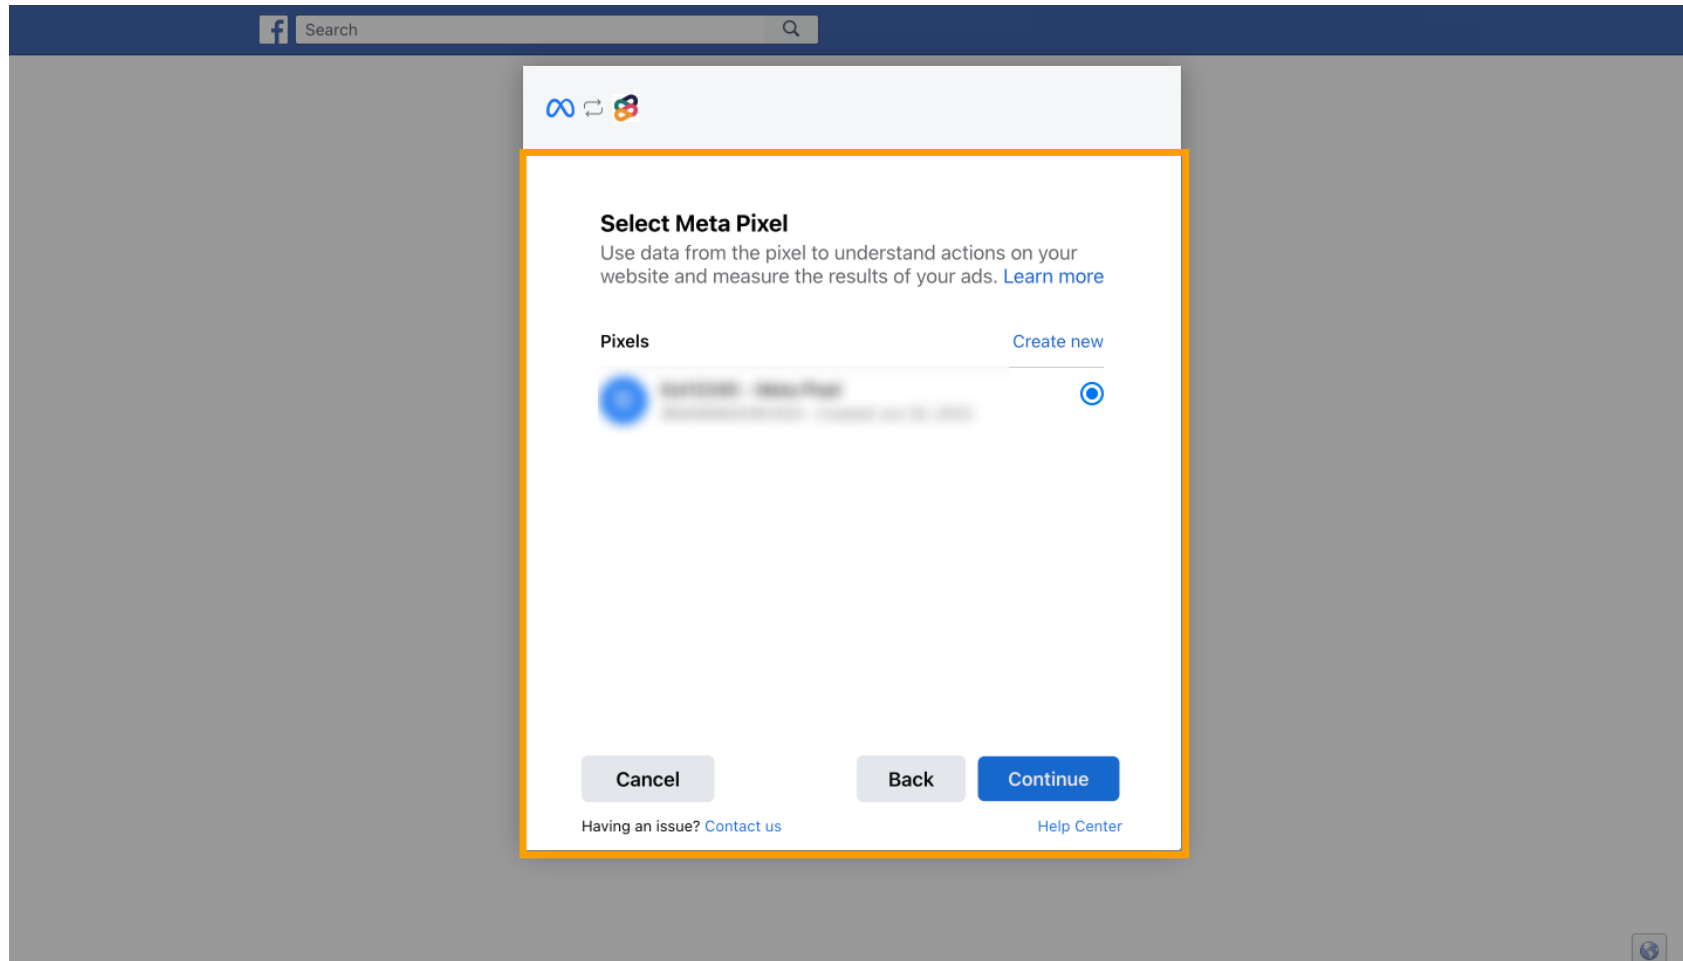

- 1 Select an **ad account** for the selected Facebook Page to advertise product and services. Facebook requires you to do so, in case you want to advertise.

 Click **Continue**.

 Select a **Meta Pixel** for the Facebook Page you will activate the Reserve button on. Click **Continue**

 Confirm your settings and click **Continue**

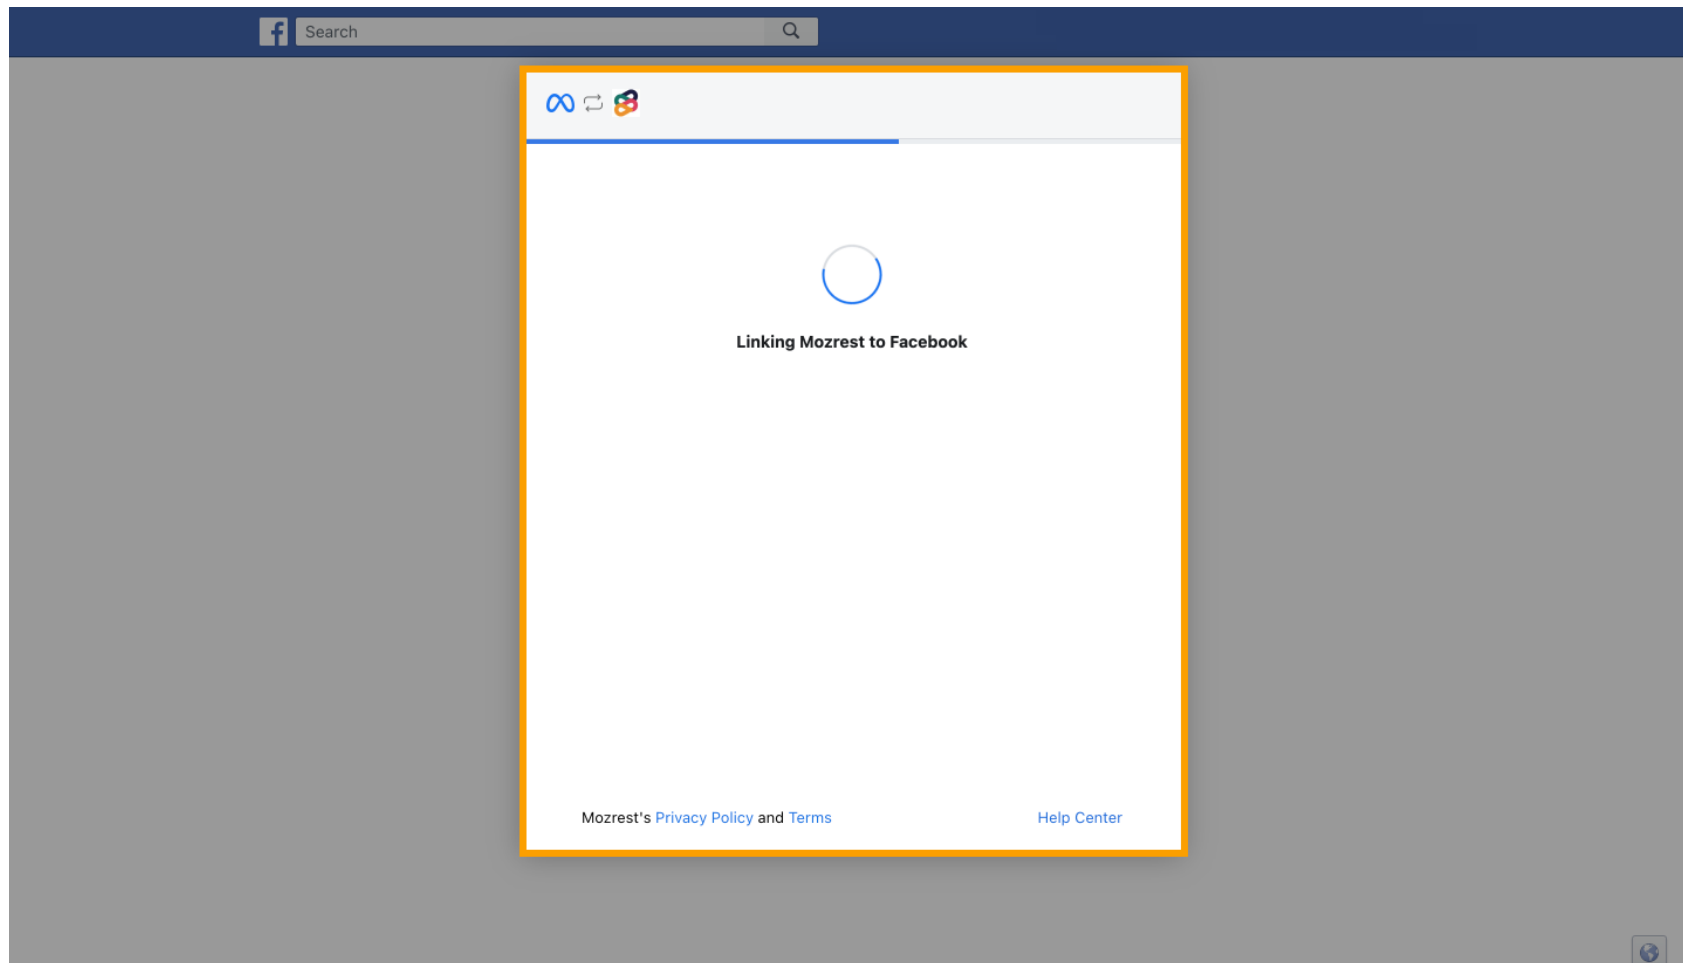

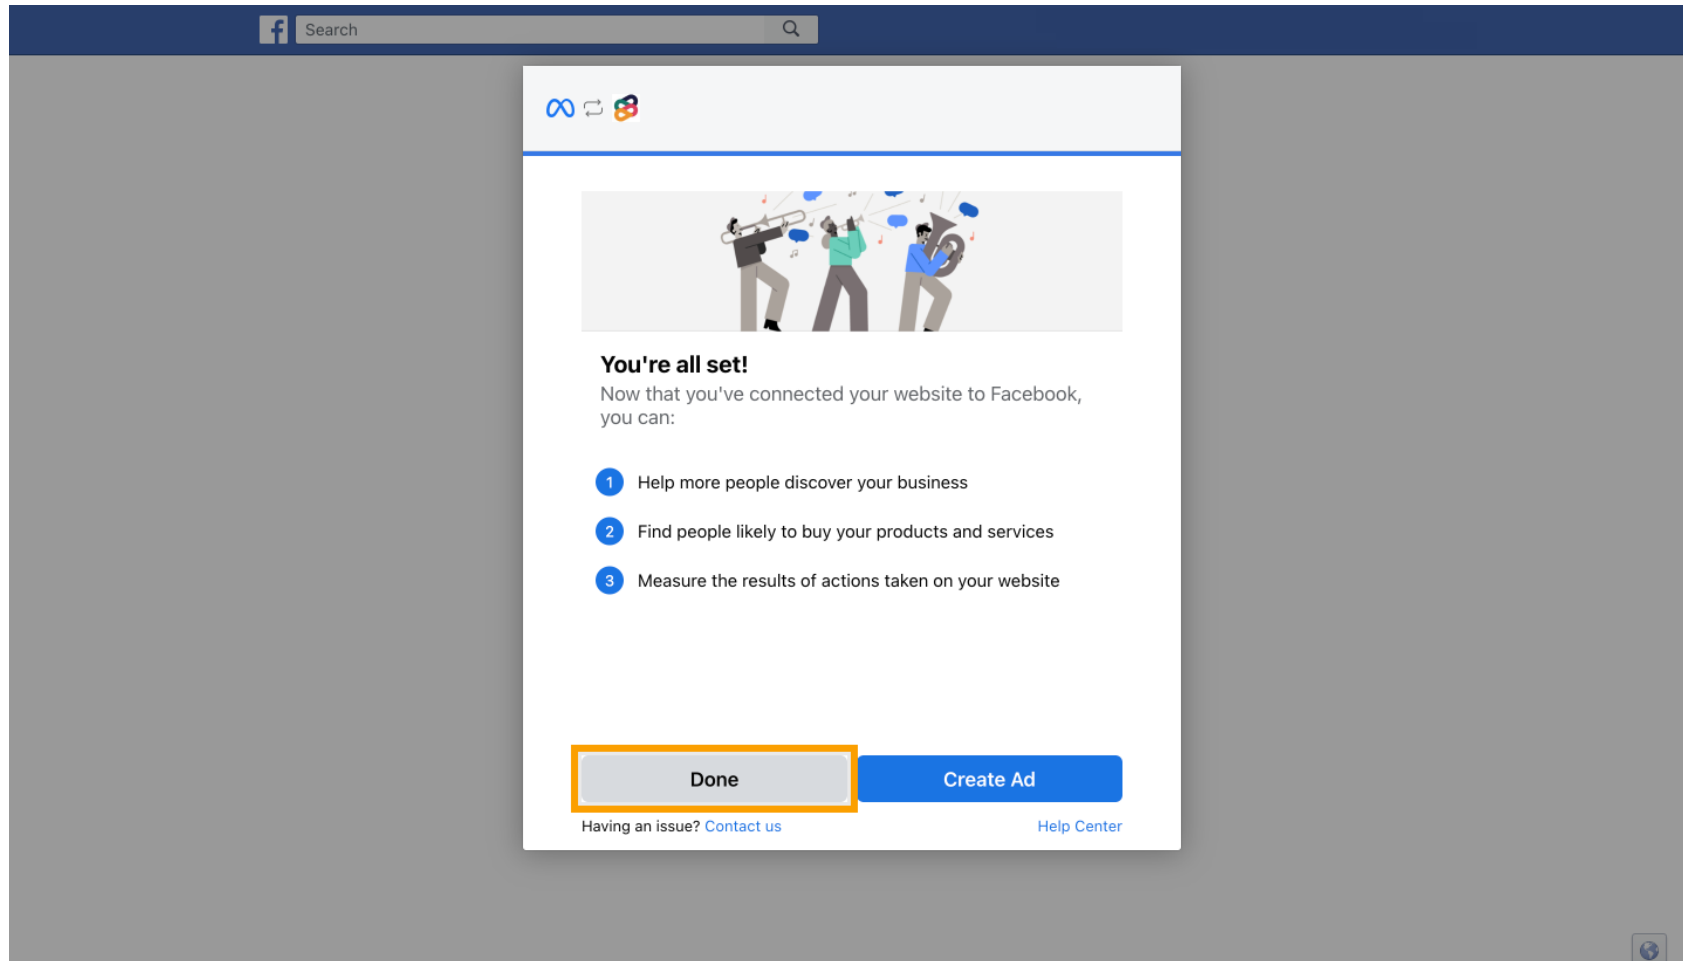

Click **Next** and allow our integration partner Mozrest to connect Facebook and Instagram with DISH Reservation

-  A page opens informing about you about the "Linking Mozrest to Facebook" **Note: The loading process may take a little longer.**

 You're all set! Click **Done**.

 Meta Connection successfully finished. Close the page.

Return to DISH Reservation and click **Finish setup**.

 The Reserve with Facebook button is now enabled. And also Reserve with Instagram if you activated it.

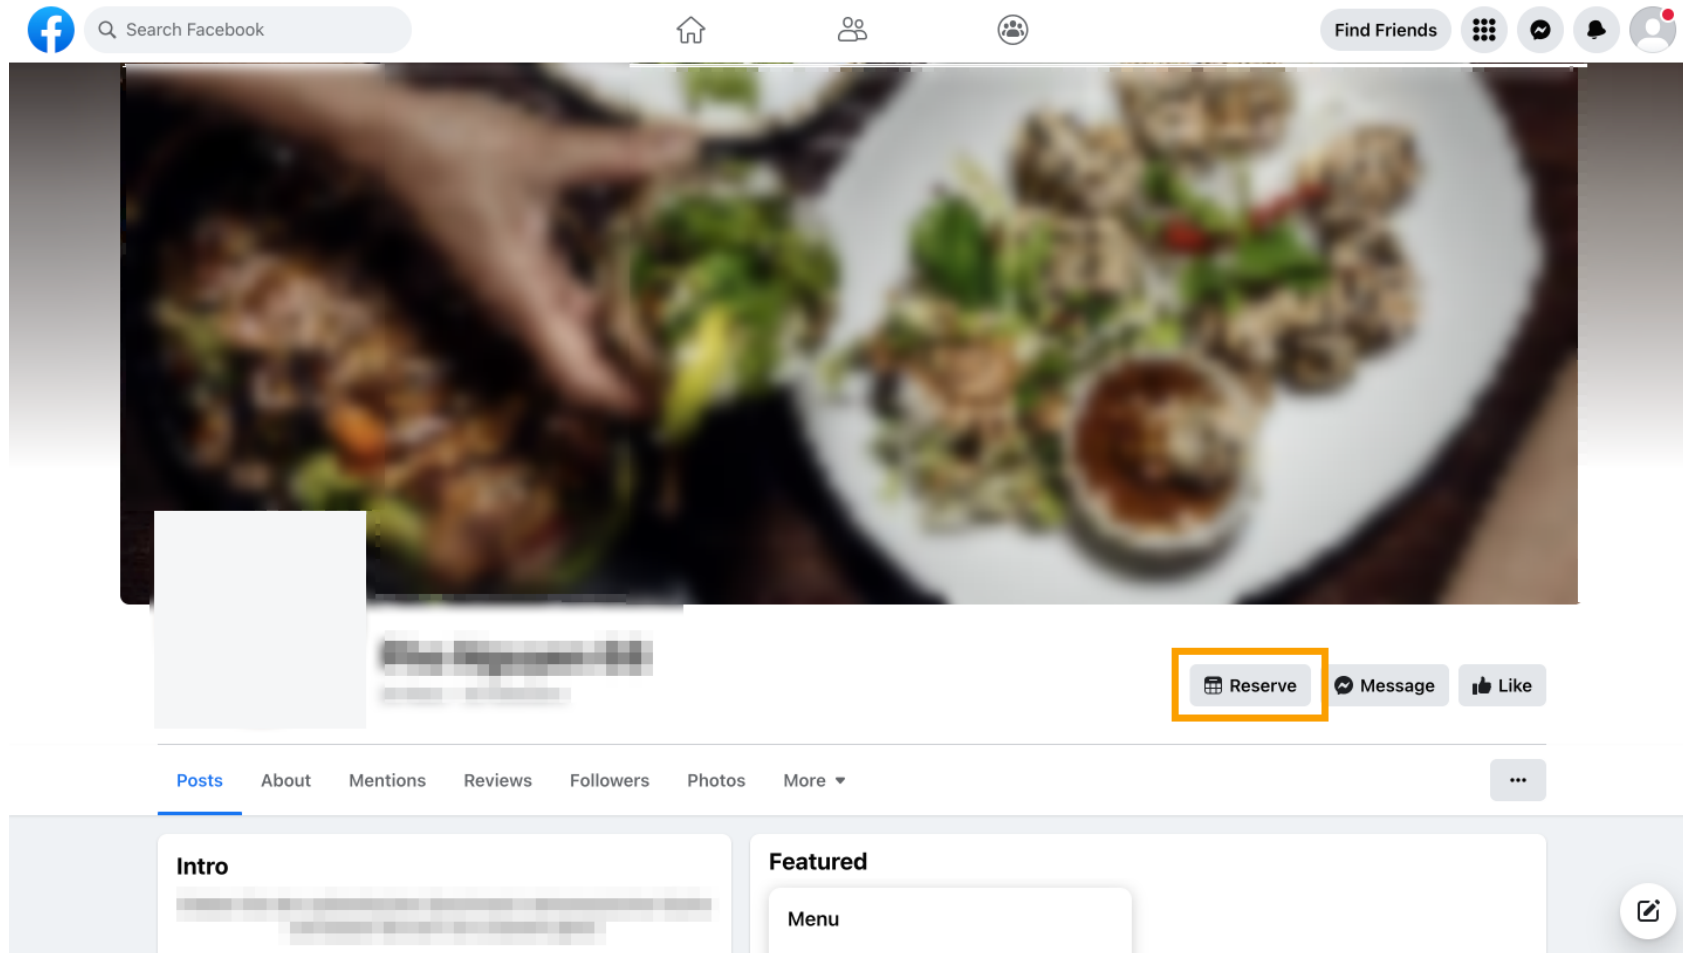

The screenshot shows the DISH RESERVATION settings interface. The left sidebar contains navigation options: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (selected), Hours, Reservations, Tables/Seats, Reservation limits, Offers, Notifications, Account, and Integrations. The main content area is divided into several sections:

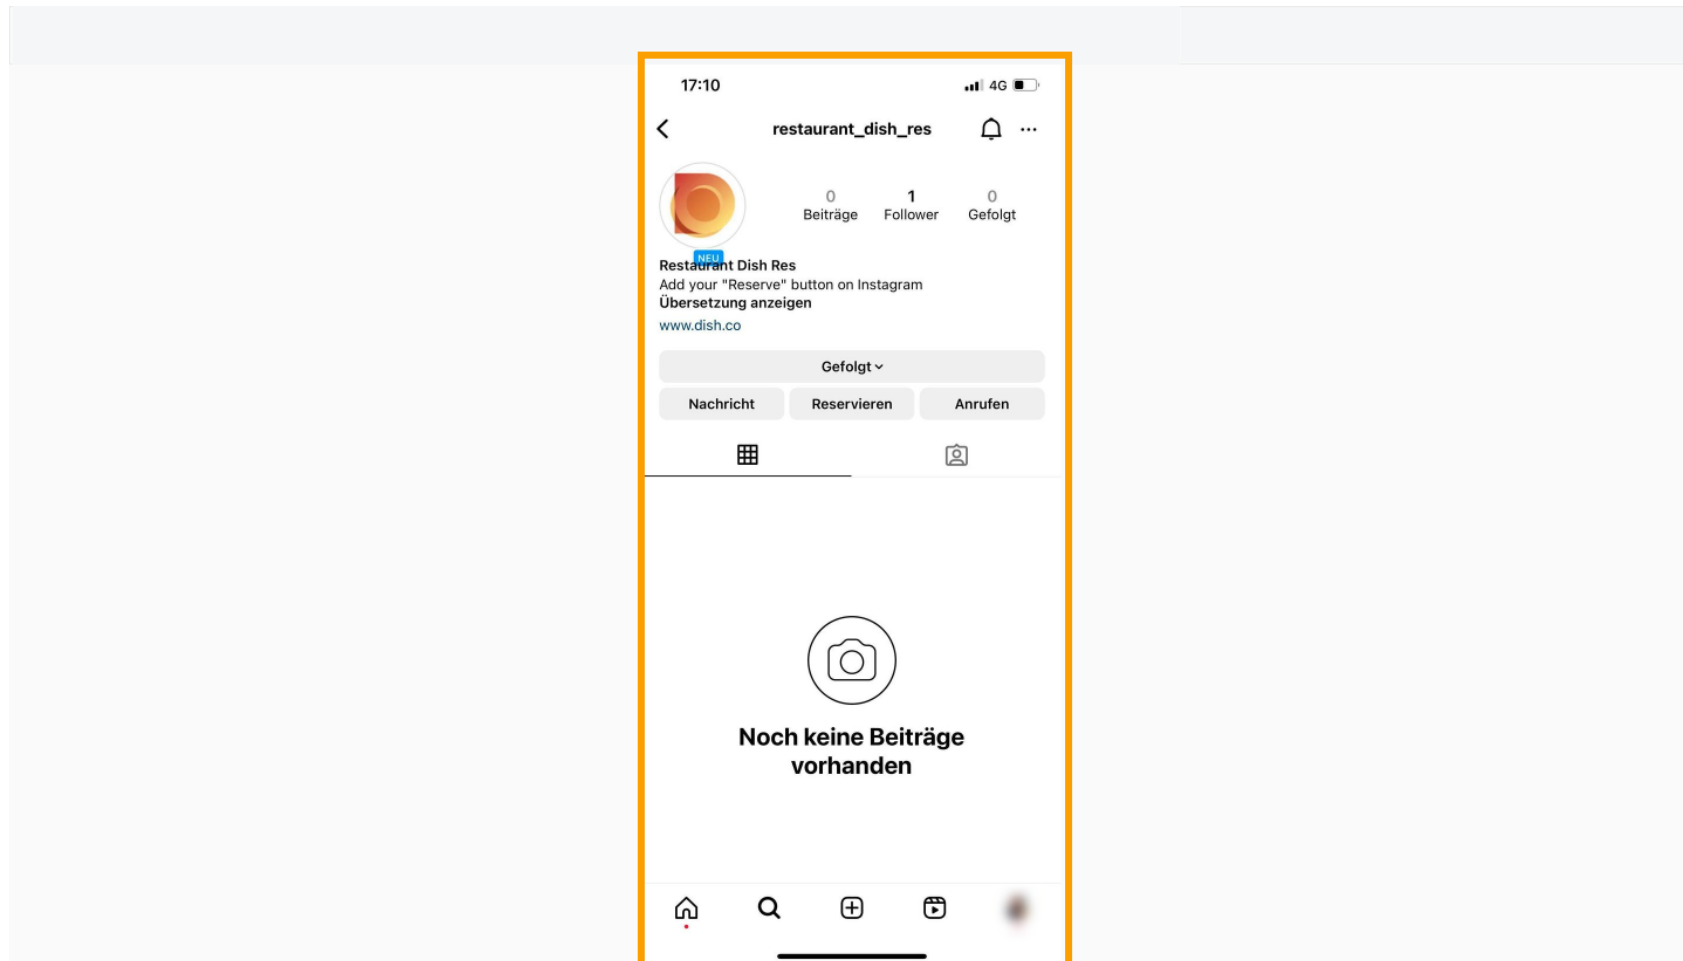

- CHANNELS**: A section titled "Through which channels would you like to receive online reservations?" containing three cards: "Online Widget" (disabled), "Reserve with Facebook" (enabled), and "Reserve with Google" (disabled). These three cards are highlighted with an orange border.
- ADMINISTRATION**: A section titled "Up to what group size would you like reservations to be automatically confirmed?" with a dropdown menu set to "2 people".
- ENGAGEMENT**: A section titled "How many minutes/hours in advance would you like to remind your guests about their upcoming reservation?" with a dropdown menu set to "2.0 hours in advance". Below it, a question "Would you like to receive feedback from your guests about their dining experience?" has a dropdown menu set to "No".
- CAPACITY**: A section titled "What is the maximum group size for reservations via the reservation widget?" with a dropdown menu set to "4 people". Below it, a question "What is the minimum group size for reservations via the reservation widget?" is partially visible.
- COMMUNICATE WITH YOUR GUESTS IN THE ONLINE WIDGET**: A section titled "Additional information for your guests" with a text area containing the instruction: "Make sure you communicate important information to your guests before they make a reservation. It will be displayed in the last step of the widget."

A green notification bar at the bottom of the interface displays the message: "Facebook connection established successfully." with a close button (X).

 It could look like this.

 Here's what it might look like on Instagram.

 That's it. You're done.

The screenshot displays a reservation form for DISH. At the top right, there is a language selector showing 'EN'. Below this is a progress indicator with three steps: a calendar icon (active), a list icon, and a checkmark icon. The form includes three dropdown menus: 'Party size' set to '2', 'Date' set to 'Tue, 27 Jun', and 'Time' set to '14:00'. Below these is a 'Select a time:' section with a grid of time slots: 12:00, 12:30, 13:00, 13:30, 14:00, 14:30, 15:00, 15:30, and 16:00. At the bottom, the logo for 'MOZREST in partnership with ISH' is visible.
